SKILLS

Enterprise account management Held the top three regional accounts for four years with full retention and a 22% average year on year spend uplift.

Onboarding design Rebuilt the client onboarding journey that cut churn from 18% to 9% in a single year.

Salesforce Daily user since 2019; trained two cohorts of new starters on it.

Inclusive hiring Ran the blind shortlisting rollout that doubled diversity at interview stage in 12 months.

PROFILE

I got into account management running events for a family catering firm, and I still think the job starts with knowing one client properly. Twelve years on I lead enterprise relationships and I do my best work in honest teams that say what they mean.
